

QUALITY POLICY

It is the policy of GTH Construction Ltd to provide products and services that fully and consistently meet the agreed requirements of its clients and to ensure that the products and services comply with defined standards and are fit for the purpose.

To demonstrate, to both clients and staff, the company's commitment to quality, it is the policy of GTH Construction Ltd to maintain its registration as a company of assessed quality capability under the requirements of ISO 9001:2015.

The Directors are committed to equipping the business with the necessary resources, including manpower, to fulfil its obligations and to meet the needs of the business and its customers, and will ensure that the resources are maintained and supported.

The Quality Policy of GTH Construction Ltd is implemented through the operation of the Quality Management System. The requirements of the System are binding on all Subcontract operatives, and this policy requires every employee, in whatever capacity, to always perform their work to the highest standards.

It is the Company's aim to achieve **continual improvement of the Company's activities and its Quality Management System and to satisfy all applicable requirements of the Standard.**

Copies of this policy will be made available to all employees by posting at appropriate locations and will be made available to the public and other interested parties on request.

The company recognises that, to ensure the adequacy of the policy, regular reviews should be carried out. This will be addressed by senior management at the annual management review meeting.
